Technical drawing of a mechanical part with dimensions:

- Overall length: 125 (100 + 25)
- Distance between mounting points: 100
- Distance from right mounting point to right edge: 25
- Overall width: 30
- Distance from left mounting point to left edge: 70
- Distance between mounting points (bottom view): 40

Technical drawing of a three-roller assembly. The drawing shows three rollers mounted on a common base. The rollers are spaced 100 units apart, with a 25-unit gap between the last roller and the right edge. The base has a total width of 300 units (100 + 100 + 25 + 25). The rollers are 30 units high. The base has a 70-unit gap between the first and second roller, and a 90-unit gap between the second and third roller.
